

STAGWORKS
COLLEGE

WE ACCEPT VIDEO AUDITIONS!

At Stageworks College we pride ourselves on finding and developing new talent from across the U.K. If you can't make it to St Neots to attend our audition days, we now accept video auditions.

Please note we are looking for trainability and potential. We do not expect professional quality videos and are happy to receive videos recorded on a smart phone, filmed in your home.

Choose from the following:

1-3 minutes footage of a monologue

1-3 minutes footage of a jazz routine that includes a technical element

1-3 minutes footage of singing, accompanied by a backing track

Ideally we would like all three disciplines but understand if your strengths lie in just one

Please send to Michael@stageworksstudio.co.uk via We Transfer, along with a short personal statement of why you are passionate about performing arts. Please include your full name, school name, date of birth, course interested in (if known) and contact number.

After reviewing your audition, we will feedback and let you know if we feel you are ready to attend a free recall audition at our studios (or we can potentially come to you), or we can send optional encouraging points of improvement.

Please note your video we only be used for audition purposes and will not be kept on file or shared.

If you have any further questions or would like to see an example audition, please email marketing@stageworksstudio.co.uk or call 01480 223331.
