## EXAMINATION INFORMATION

Exam timetables will be displayed on the notice boards at both venues and on our website. Please check the venue of the exam as this may differ from your class venue.

Please arrive 1 hour before your exam time. This gives the child enough time to prepare, have their hair done, have a good run through of their exam work, plus a time to relax before they go in. Some exams also require children to warm up and stretch. If you are not ready for an exam at your allocated time the examiner can refuse to see you.

### For all exams

- ★ No jewellery (this includes all piercings)
- ★ Make-up: light day make up only for senior students
- ★ No temporary/fake tattoos (real ones will need to be covered)
  - ★ No nail varnish.
- ★ Check uniform, most of which they should be wearing to class.
  - ★ Shoes/uniform should be clean and tidy, we do NOT recommend new shoes for exams.
- ★ Every child will require to have their hair in the below style (unless the hair is too short). We do have staff around to help on exam day, but please come with the required hair stuff to achieve it.
- ★ Headbands will need be worn if hair cannot get into this hair style.

**Failure to do so will result in a loss of marks.**

Separate hair with centre parting.

Place hair in high bunches.

Plait hair

Lay plait over the top of the head and pin in place. Tuck ends of hair in. Repeat with second plait.
